Ffynhonnell | Immediate source of acquisition

Deposited by the Fifth Marquis of Bute in July 1950.

Trefniant | Arrangement

The archive was preliminary arranged in 1955, based on the estate solicitor's lists of the contents. Part of the archive, including most of the manorial records, was later calendared on index cards and added to the preliminary schedule of the 1955 arrangement. An arrangement of the whole archive was completed in 1998, replacing the call numbers in the 1955 schedule. The archive is now arranged into the following groups: estate administration, manorial records, deeds, legal papers, Acts of Parliament, official records, schedules, books, artefacts and miscellaneous.

Dyddiad | Date: 1694-1846. (dyddiad creu) | (date of creation)

Natur a chynnwys | Scope and content:

Correspondence, originally bundled as 'Glamorganshire Letters', relating to routine estate administration, such as leases, rents, heriots, royalties and tithes, initially being for the most part letters from the steward of the estate, but increasingly also from bailiffs, gentry, ironmasters, clergy, mineral surveyors, officers of the militia, government ministers, applicants for various posts and other individuals. Most of the bundles of letters relate to the Glamorgan estate, although letters and bundles of letters relating to other estates are also present. The correspondence also contains reports on affairs in the county and boroughs of Glamorgan, including the Commission of the Peace and the Glamorgan Militia, and also comments on the local and national economy, politics, and events.
