	<p>Photographs of David Lloyd George's cruise on 'Sabrina' in 1929, on board another ship (s), on the way to or from Brazil. In Dec 1927 David Lloyd George and various family members sailed on the Blue Star Line steamship 'Avelona' to Brazil. Their return was on her sister ship 'Andalusia' (re-named 'Andalucia Star' the following year). As the two were sister ships it is not possible to determine which photos were taken on which leg of the trip.</p> <p><i>Nodyn / Note [generalNote]:</i></p> <p>Titles supplied by cataloguer</p> <p><i>Nodyn / Note [generalNote]:</i></p> <p>Preferred citation: A J Sylvester Collection</p>
