Hanes gweinyddol / Braslun bywgraffyddol | Administrative history | Biographical sketch

Nodyn | Note

The early members of the Independent Labour Party attempted to establish a South Wales Federation even before the end of the nineteenth century, but the South Wales Regional Council of Labour was not set up until 1937. In May 1947, the Welsh Regional Council of Labour became responsible for the whole of Wales, 'Regional' was dropped from the title in December 1959, and the body was re-christened Labour Party Wales in May 1975.
